RE: Docket No: 1435561-67049

POSTAL REGULATORY
COMMISSION

Dear Postal Regulatory Commission:

I am appealing the 'Final Determination to close the Freeport, KS Post office & establish a Rural Route per the above Docket No.

Retail services that we receive now can not be duplicated by the service suggested by the ^{Postal} Service. A 13 or 11 or 16 mile trip one way must be made by the patrons in order to duplicate this service.

The above document is not factual: the last postmaster resigned in 1992. She, Mary Armstrong served as Post Master for 50 years here at Freeport.

The above document states "when this final determination is implemented, delivery ~~and~~ retail services will be provided by the Argonca P.O." This service is now being ~~is~~ provided by the Anthony P.O. NOT ARGONIA. This change has been in effect for two months. This was a positive move for our area.

Pg 2 of 2

I would ask that the document # 1435561-67049 be updated by Postal personnel to its current status before the closing of our Freeport P.O. that has provided over 125 years of service to our community.

Our Freeport Post office deserves to go down in history with the CORRECT DATA.

Sincerely,

Carol A. Peter
